Qiaowan Chang Nano-engineering

Please notify the other students you nominated for the fellowship and those who applied to you and were not nominated, thanking them for their application and informing them they were not selected. Faculty members who wrote nomination letters may also want to know the results, so please forward this message as you like.

The Graduate Division greatly appreciates the time and effort of students, faculty, and staff who wrote and submitted nomination materials. It speaks well of the students to have been nominated for these fellowships, and we wish them great success in the completion of their graduate studies.
