**South Campus / Mesa Nueva & SIO Routes
Transition to On-Demand Service Monday, 5/11/2020**

Due to low ridership, the South Campus / Mesa Nueva and SIO shuttle routes will transition to on-demand service, effective 5/11/2020. This change will allow a transition to smaller electric and light-duty vehicles along with reducing emissions and maintenance expense.

Rides are available between 5:30 a.m. and 10:00 p.m., Monday-Friday, by calling 858.534.7422.
