

## WOMEN IN STEM VIRTUAL SEMINAR SERIES

Multi Campus Transformation  
and Equity Network

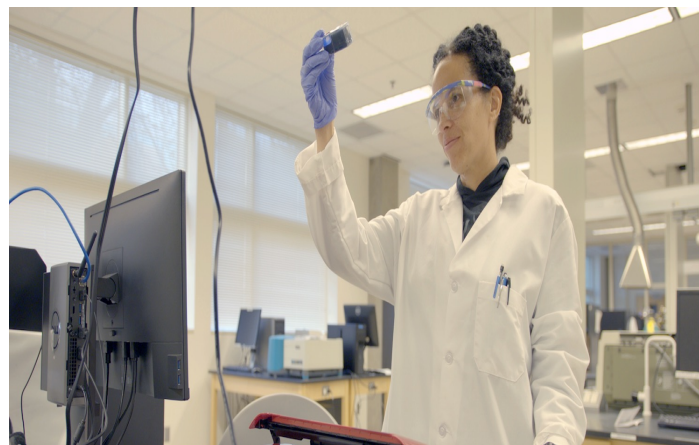

February 15 – February 16, 2021

Keynote Speaker **Dr. Lila A. Abron**, the first African American woman to receive a PhD in Chemical Engineering in the US, former professor at Vanderbilt, Howard, and Tennessee State universities, and CEO of PEER Consultants, one of the largest black women-owned environmental engineering firms in the United States.

A screening of **Picture A Scientist**, followed by a panel discussion with an esteemed panel of Dr. Abron, Dr. Frazier Benya from the National Academy of Sciences, and Picture A Scientist filmmaker, Ian Cheney & Sharon Shattuck.

SDSU and UCSD faculty, graduate and undergraduate student's roundtable discussion.
